COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Sir:

In response to the Reasons For Allowance provided with the Notice of Allowability of October 17, 2005, the Applicant appreciates the allowance of all claims. In response, the Applicant notes that the listing of allowed claims should include Claims 1, 4-22, and 25-32. In particular, Claim 25 should be included in the listing of allowed claims.

In addition, the Applicant points out that the scope and patentability of each claim is defined with respect to the recitations thereof. The patentability and scope of Independent Claims 1, 15, 16, and 22 are, thus, determined with respect to the respective recitations thereof. Moreover, structural recitations of Claim 1 are not included in the method of Claim 22.

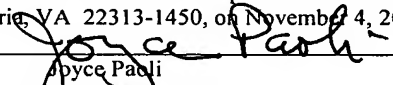

Respectfully submitted,
